

## Tips for Teaching at Home

- Choose a room and a time when there are no distractions. Explain that learning about God is a sacred time and a time to learn and grow closer to him and to one another.
- Designate a specific time and place for family sessions.
- Gather all materials before beginning.
- Set up a prayer space at home similar to the ones in the parish session rooms.
- Encourage older children to help younger children during the sessions.
- At mealtimes, ask children to review and share what they are learning.
- Encourage parents to access the faith-rich, interactive, multimedia content by scanning the QR codes found in the Children's Book. In addition, parent-centered content supports parents in their role as their child's most influential catechist.
